Re: Freedom of Information Act Request EPA-HQ-2014-00002915

Dear Ms. Marini:

This is in response to your Freedom of Information Act Request of March 7, 2014, requesting a list of facilities included in the Federal Facilities Information System (FFIS) containing a list of all Treatment Storage and Disposal facilities (TSDs) owned and operated by federal agencies.

The information you have requested does not exist in that format as the FFIS system has not been maintained since 1990. Moreover, the FFIS system did not identify facilities as TSDs. You may be able to find relevant information through searching ECHO, which is a publicly available data base by doing the following:

- Go to <http://echo.epa.gov/facility> search
- Click on "More Search Options" at the top of the search form
- Scroll down to facility characteristics and select "Federal Agency" = "All Agencies"

Under the FOIA, you have the right to appeal my "no records" determination to EPA, Office of Environmental Information, Records, Privacy, and FOIA Branch (2822T), 1200 Pennsylvania Avenue, N.W. Washington, DC 20460. The appeal must be made in writing, and it must be received at this address no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30-day limit. The appeal may include as much or as little related information as you wish, as long as it clearly identifies the determination being appealed (please include the assigned FOIA number (EPA-HQ-2014-004333)).

For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in blue ink, appearing to read "Dave Kling".

Federal Facilities Enforcement Office
